

Glenn Hegar Texas Comptroller of Public Accounts

Report of the Texas Economic Development Act | 2023

Introduction

In 2001, the Texas Legislature established the Texas Economic Development Act, often called “Chapter 313” for its place in the Texas Tax Code. The Chapter 313 program allows public school districts to offer tax incentives for businesses that make large capital investments and create jobs in Texas communities. The Texas Comptroller of Public Accounts (CPA) administers this program, devoting over 30,000 hours of staff time annually. Chapter 313 expired on Dec. 31, 2022.

In the 2021 report, there were 509 active agreements and of those, 38 percent were manufacturing, 61 percent were for renewable energy projects, and four research and development projects. In this 2023 report, there are 598 active agreements; 35 percent are manufacturing, 65 percent are for renewable energy projects, and 1 research and development project.

The Chapter 313 program continued to grow until its expiration – in 2019 CPA received 133 new applications; in 2020 CPA received 91 new applications; in 2021 CPA received 135; and in 2022, the last year of the program, CPA received 416 new applications.

This report contains information on each of the 598 active agreements made under this chapter, as of June 1, 2022, as well as aggregate data of these agreements. Because many agreements were executed after the data collection date, this report does not represent the entire universe of active Chapter 313 agreements as of the expiration of the program. The information submitted herein is in compliance with Texas Tax Code, Chapter 313.032.

Statutory Reporting Requirements

House Bill (HB) 3390 from the 83rd Legislature's regular session repealed the reporting requirements in Section 313.008 and amended the reporting requirements in Section 313.032 to encompass all reporting requirements.

Sec. 313.032. REPORT ON COMPLIANCE WITH AGREEMENTS.

- (a) Before the beginning of each regular session of the legislature, the comptroller shall submit to the lieutenant governor, the speaker of the house of representatives and each other member of the legislature a report on the agreements entered into under this chapter that includes:
 - (1) an assessment of the following with regard to the agreements entered into under this chapter, considered in the aggregate:
 - (A) the total number of jobs created, direct and otherwise, in this state;
 - (B) the total effect on personal income, direct and otherwise, in this state;
 - (C) the total amount of investment in this state;
 - (D) the total taxable value of property on the tax rolls in this state, including property for which the limitation period has expired;
 - (E) the total value of property not on the tax rolls in this state as a result of agreements entered into under this chapter; and
 - (F) the total fiscal effect on the state and local governments; and
 - (2) an assessment of the progress of each agreement made under this chapter that states for each agreement:
 - (A) the number of qualifying jobs each recipient of a limitation on appraised value committed to create;
 - (B) the number of qualifying jobs each recipient created;
 - (C) the total amount of wages and the median wage of the new qualifying jobs each recipient created;
 - (D) the amount of the qualified investment each recipient committed to spend or allocate for each project;
 - (E) the amount of the qualified investment each recipient spent or allocated for each project;
 - (F) the market value of the qualified property of each recipient as determined by the applicable chief appraiser, including property that is no longer eligible for a limitation on appraised value under the agreement;
 - (G) the limitation on appraised value for the qualified property of each recipient;
 - (H) the dollar amount of the taxes that would have been imposed on the qualified property if the property had not received a limitation on appraised value; and
 - (I) the dollar amount of the taxes imposed on the qualified property.
- (b) The report may not include information that is confidential by law.
- (b-1) In preparing the portion of the report described by Subsection (a)(1), the comptroller may use standard economic estimation techniques, including economic multipliers.
- (c) The portion of the report described by Subsection (a)(2) must be based on data certified to the comptroller by each recipient or former recipient of a limitation on appraised value under this chapter.
- (d) The comptroller may require a recipient or former recipient of a limitation on appraised value under this chapter to submit, on a form the comptroller provides, information required to complete the report.

The purpose of the Chapter 313 program is expressly laid out in Section 313.003 of the Texas Tax Code. The program is intended to:

- (1) encourage large-scale capital investments in this state;
- (2) create new, high-paying jobs in this state;
- (3) attract to this state large-scale businesses that are exploring opportunities to locate in other states or other countries;
- (4) enable state and local government officials and economic development professionals to compete with other states by authorizing economic development incentives are comparable to incentives being offered to prospective employers by other states and to provide state and local officials with an effective means to attract large-scale investment;
- (5) strengthen and improve the overall performance of the economy of this state;
- (6) expand and enlarge the ad valorem property tax base of this state; and
- (7) enhance this state's economic development efforts by providing state and local officials with an effective local economic development tool.

Aggregate Data

Table 1 pertains to Section 313.032(a)(1) and aggregates data for agreements entered into under Chapter 313 through June 1, 2022.

Table 1

2021 Aggregate Data

Total number of jobs created, direct and otherwise, in this state in 2021 ¹	62,200
Total effect on personal income, direct and otherwise, in this state in 2021	\$4,064,347,000
Total amount of investment in this state reported through 2021	\$150,349,911,000
Total taxable value of qualified property on the tax rolls in this state in 2021, including property for which the limitation period has expired	\$14,011,808,000
Total value of qualified property not on the tax rolls in this state in 2021 as a result of agreements entered into under this chapter	\$67,065,035,000
Total fiscal effect on the state and local governments through 2021 ²	\$1,764,402,000

Note: Total number of jobs created is rounded to the nearest hundred. All other figures have been rounded to the nearest thousand.

¹ The multipliers used in this analysis were the direct-effect employment and direct-effect earnings RIMS II Industry Multipliers for Texas (<https://www.bea.gov/regional/rims/rimsii/>). These multipliers represent the estimated change in employment (earnings) that occur given the number (amount) of direct Chapter 313 jobs (earnings).

The estimates listed in this table represent the product of the direct jobs (earnings) by industry and their corresponding RIMS II state-level multipliers. No attempt has been made by the Comptroller's office to modify or change the values of these multipliers.

To obtain a copy of these state-level multipliers, please visit the URL above to access the U.S. Department of Commerce's Bureau of Economic Analysis.

² The fiscal effect calculation is the total Maintenance and Operations (M&O) taxes and Interest and Sinking fund (I&S) taxes reported by a company through calendar 2021.

A Report of the Texas Economic Development Act

Listing of Applications by District & County

Below is a listing of value limitation agreements by school district and county. Information for each project is listed in numerical order, from smallest to largest, on the following pages.

Agreement #	School District	County
1364	Abbott ISD	Hill
1655	Abernathy ISD	Hale
1539	Academy ISD	Bell
313	Adrian ISD	Oldham
255	Adrian ISD	Oldham

**The following pages list information
on individual Chapter 313 projects
by school district.**

Port Arthur ISD

Category	Identifier
Application #	76
Name of school district	Port Arthur ISD
Name of CAD appraising the qualified property	Jefferson
Name of company/companies entering into original limitation agreement	The Premcor Refining Group Inc.
Name(s) of current agreement-holder(s)	The Premcor Refining Group Inc.
NAICS code	324110
Statutory eligibility category [313.024(b)]	Manufacturing
Date limitation agreement executed	12/18/08
First complete year of qualifying time period	2009
First year of 8-year limitation period	2011
Number of qualifying jobs applicant committed to create on application	50
Number of qualifying jobs applicant created through 2021	50
Number of new jobs created through 2021	50
Median wage for new jobs in 2021	\$106,447
Total wages of all new jobs total in 2021	\$5,322,350
Year in which first new jobs (were/will be) created	2011
Limitation amount	\$30,000,000
Total qualified investment proposed on application	\$1,300,000,000
Qualified investment reported through 2021	\$800,000,000
Estimated total investment for length of agreement	\$800,000,000
2021 market value of qualified property as reported by company	\$279,690,400
Total property tax (M&O and I&S) in 2021—if no limitation	\$4,435,280
Total property tax (M&O and I&S) in 2021—with limitation	\$3,649,389

Hermleigh ISD

Category	Identifier
Application #	115
Name of school district	Hermleigh ISD
Name of CAD appraising the qualified property	Scurry
Name of company/companies entering into original limitation agreement	Pyron Wind Farm, LLC
Name(s) of current agreement-holder(s)	Pyron Wind Farm, LLC; Inadale Wind Farm, LLC
NAICS code	221119
Statutory eligibility category [313.024(b)]	[Wind] Renewable Energy Electric Generation
Date limitation agreement executed	11/11/08
First complete year of qualifying time period	2009
First year of 8-year limitation period	2011
Number of qualifying jobs applicant committed to create on application	12
Number of qualifying jobs applicant created through 2021	16
Number of new jobs created through 2021	16
