

PORT OF ENTRY

Ports of entry within the state of Texas accounted for nearly **\$740 BILLION** in international trade in 2018. Texas has **29 OFFICIAL PORTS** of entry that serve as critical gateways to global trade. Each port, whether an airport, land port or seaport, serves many domestic and international economic activities across multiple industries. Each Texas port plays a distinctive role in the state's transportation network and contributes to the state and local economies.
