

## THIRTEENTH COURT OF APPEALS

### PROCUREMENT PROCEDURE

#### Purpose:

State of Texas employees involved in the procurement of goods and services have a responsibility to uphold Texas procurement laws and to serve the best interests of the state. This responsibility requires a thorough knowledge of the Tex. Gov't Code, Title 10, Subtitle D and Texas Administrative Code (TAC), Title 34, Part 1 as well as the procedures in the State of Texas Procurement Manual.

This procurement procedure has been developed pursuant to the provisions of the Tex. Gov't Code, Title 10, Subtitle D, and Section 2155.132. It is also designed to: (1) identify the primary roles of key staff in the procurement process; (2) reflect the level of purchasing certification, and; (3) the related level of training to be attained/maintained by them.

#### A. Procurement Organization Chart

##### **Chief Justice**

1. Approves all Purchase Orders

##### **Accountant/Deputy Clerks\* (Primary Purchaser)**

1. Conducts all types of Purchases
2. Prepares Purchase Orders and retains pricing information
3. Signs Purchase Orders
4. Verifies receipt and condition of merchandise received
5. Forwards all Purchase Orders and documentation to Accountant within five (5) business days of receipt of merchandise

\*The Clerk of the Court may perform this duty in the absence of a Deputy Clerk

**Accountant**

1. Encumbers funds for purchases in CAPPs
2. Retains supporting documentation and pricing information for all expenditures
3. Verifies proper billing and payment amounts
4. Reviews all invoices before scheduling payments
5. Enters payment information into the CAPPs system
6. Releases payments in a timely manner

**B. Authorized Purchasers**

The primary purchasers for the Court are two Deputy Clerks and the Accountant (Purchasers). The Deputy Clerks only are authorized to purchase office supplies. All other purchases are done by the Accountant. The Clerk may be designated by the Court to perform the Purchaser’s duties hereunder whenever the Purchaser is absent. The Purchaser has the primary responsibility to determine that each purchase is made in conformity with State Law, regulations, and this policy. The Purchaser also prepares Purchase Orders, is the direct contact person with vendors of goods and services, and verifies that goods purchased are received in the quantities ordered and in good condition by stamping “Received”, providing the date the goods or services were received, and providing the signature of the person accepting the goods or services on the Purchase Order or Invoice. Thereafter, the Purchaser forwards all Purchase Orders or Invoices and any supporting documentation to the Accountant within five (5) business days. Whenever necessary, legal advice regarding procurement may be obtained from the General Counsel of the Office of Court Administration.

**C. Organizational Chart**

**ORGANIZATIONAL CHART OF THE PURCHASING DEPARTMENT**

#### **D. Authorization Required**

Each and every purchase of goods and/or services must be by Purchase Order approved by the Chief Justice. A Purchase Order must be fully signed and approved as herein required before the purchase contemplated thereby is communicated to the vendor. No amount may be paid in excess of the Purchase Order amount, unless the Purchase Order is amended due to the vendor providing a new benefit, i.e. consideration, to the Court. An Authorized Signature List is attached as Exhibit A.

#### **E. Training and Certification**

It is this Court's determination that the Basic Level of Certification is sufficient to meet the purchasing needs of the Court. No higher level of certification is required for the Court. It is a requirement that Purchasers receive Basic Certification in order to be able to perform purchasing functions.

#### **F. Internal Purchasing Procedures**

The Court will not solicit bids for purchases under \$5,000. All spot purchases made by the purchasing agents of the Thirteenth Court of Appeals are reviewed and approved by the Chief Justice prior to issuing a purchase order.

#### **G. Payment Processing**

Invoices are opened by the Accountant and stamped with a "received" date. The Accountant pulls the Purchase Order and verifies information against the invoice in order to process payment.

Upon receipt of an invoice, the Accountant:

1. Reviews to determine if the terms include a discount.
  - i. If the Accountant determines that the discount is beneficial to the State, it processes the invoice promptly.
  - ii. If the Accountant determines that scheduling the payment is the better option, a detailed explanation or a cost benefit analysis in the supporting documentation will be provided by the Accountant.
2. Reviews to ensure the vendor has not assessed a late payment penalty and that the Court does not pay a penalty to the vendor.
  - i. In the case that a late payment penalty is paid by the Court, the Accountant should seek a refund of the penalty from the vendor.
3. Checks to ensure that prior payment has not already been processed.

The Accountant will enter payment information for processing in CAPPs, ensure that payments are released in a timely manner to avoid incurring interest liabilities, and ensure that if interest is due, it is paid correctly to the vendors.

The Accountant will receive the warrant and check it against the warrant register. The warrant register is then "received" stamped and initialed by the Accountant. If payment is direct deposit or ITV the USAS reports are printed by the Accountant.

The Accountant will compare warrant information or direct deposit/ITV against the Purchase Order and payment is mailed to the vendor.

The Accountant will file the documentation by fiscal year and expenditure code in the Accountant's office.

#### **H. Invitation for Bid (IFB)**

Only on occasional basis are items purchased requiring the solicitation of informal or formal bids (The Office of Court Administration makes recommendations, solicits quotes, and carries out all purchasing responsibilities regarding advanced technology equipment, i.e., network servers, workstations, cabling, laptop computers, etc.)

The generic invitation for bid (IFB) form issued by the Texas Comptroller of Public Accounts will be used by the Thirteenth Court of Appeals for all purchases which require formal IFB. Additional clauses such as technology access clause, amendments, extension, funding out, excess obligations, price escalation, usage and authorized relief from performance clause will be in an attached form when necessary. An IFB form is attached as Exhibit B.

#### **I. Excluded Persons List System (EPLS)**

Prior to awarding any contracts, purchasing agents of the Thirteenth Court of Appeals will check the list of vendors excluded from doing business at the federal Excluded Persons List System (EPLS). No contract should be awarded to any person/entity found on the EPLS system, pursuant to the Texas Government Code, Section 2155.077 and the Texas Administrative Code, Title 1, Part 5, Chapter 113, Subchapter F, Rule 113.102(d)(8) and in compliance with Executive Order 13224 (Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism), dated September 23, 2001 as implemented by 31CFR, Parts 500 through 599.

A printed copy of the search results will be attached to the purchase order and become a permanent part of the procurement file for the vendor.

- 11. NOTE TO BIDDER:**  
If bidder takes any exceptions to any provisions of the IFB, these exceptions must be specifically and clearly identified by section in bidder's bid in response to the IFB and bidder's proposed alternative must also be provided in the bid. Bidders cannot take a 'blanket exception' to the entire IFB. If any bidder takes a 'blanket exception' to the entire IFB or does not provide proposed alternative language, the bidder's bid may be disqualified from further consideration.
- 12. PROTEST PROCEDURES:**  
Any actual or prospective bidder who is aggrieved in connection with this IFB, evaluation, or award of any contract resulting from this IFB may formally protest as provided in CPA's rules at 34 TAC Rule 20.384.
- 13. DISPUTE RESOLUTION:**  
The dispute resolution process provided for in Chapter 2260, Gov't Code must be used by the CPA and the bidder to attempt to resolve any dispute arising under any contract resulting from this IFB.
- 14. NON-APPROPRIATION OF FUNDS:**  
Any contract resulting from this IFB is subject to termination or cancellation, without penalty to CPA, either in whole or in part, subject to the availability of state funds. CPA is a state agency whose authority and appropriations are subject to actions of the Texas Legislature. If CPA becomes subject to a legislative change, revocation of statutory authority, or lack of appropriated funds which would render CPA's or bidder's delivery or performance under the contract impossible or unnecessary, the contract will be terminated or cancelled and be deemed null and void. In the event of a termination or cancellation under this Section, CPA will not be liable to bidder for any damages, which are caused or associated with such termination, or cancellation and CPA will not be required to give prior notice.
- 15. TEXAS PUBLIC INFORMATION ACT:**  
Notwithstanding any provisions of this IFB to the contrary, bidder understands that CPA will comply with the Texas Public Information Act (Chapter 552, Gov't Code) as interpreted by judicial opinions and opinions of the Attorney General of the State of Texas. Information, documentation, and other material in connection with this solicitation or any resulting contract may be subject to public disclosure pursuant to the Texas Public Information Act. Within three (3) days of receipt, bidder will refer to CPA any third party requests, received directly by bidder, for information to which bidder has access as a result of or in the course of performance under any contract resulting from this IFB. Any part of the solicitation response that is of a confidential or proprietary nature must be clearly and prominently marked as such by the bidder.
- 16. CONFLICT OF INTEREST:**  
Under §2155.003, Gov't Code, a CPA employee may not have an interest in, or in any manner be connected with a contract or bid for a purchase of goods or services by an agency of the state; or in any manner, including by rebate or gift, accept or receive from a person to whom a contract may be awarded, directly or indirectly, anything of value or a promise, obligation, or contract for future reward or compensation. Any individual who interacts with public purchasers in any capacity is required to adhere to the guidelines established in Section 1.2 of the State of Texas Procurement Manual, which outlines the ethical standards required of public purchasers, employees, and bidders who interact with public purchasers in the conduct of state business, and with any opinions of or rules adopted by the Texas Ethics Commission. Entities who are interested in seeking business opportunities with the State must be mindful of these restrictions when interacting with public purchasers of CPA or purchasers of other state agencies.
- 17. FORCE MAJEURE:**  
Neither bidder nor CPA shall be liable to the other for any delay in, or failure of performance, of any requirement included in any contract resulting from this IFB caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.
- 18. INDEPENDENT CONTRACTOR:**  
Bidder is and shall remain an independent contractor in relationship to the CPAS. The CPA shall not be responsible for withholding taxes from payments made under any contract resulting from this IFB. Bidder shall have no claim against the CPA for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind.

**19. INDEMNIFICATION:**

**BIDDER SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE STATE OF TEXAS, ITS OFFICERS, AND EMPLOYEES, AND CPA, ITS OFFICERS, AND EMPLOYEES AND CONTRACTORS, FROM AND AGAINST ALL CLAIMS, ACTIONS, SUITS, DEMANDS, PROCEEDINGS, COSTS, DAMAGES, AND LIABILITIES, INCLUDING WITHOUT LIMITATION ATTORNEYS' FEES AND COURT COSTS, ARISING OUT OF, CONNECTED WITH, OR RESULTING FROM ANY ACTS OR OMISSIONS OF BIDDER OR ANY AGENT, EMPLOYEE, SUBCONTRACTOR, OR SUPPLIER OF BIDDER IN THE EXECUTION OR PERFORMANCE OF ANY CONTRACT WITH BIDDER RESULTING FROM THIS IFB. BIDDER SHALL COORDINATE ITS DEFENSE WITH THE TEXAS ATTORNEY GENERAL AS REQUESTED BY CPA. THIS SECTION IS NOT INTENDED TO AND SHALL NOT BE CONSTRUED TO REQUIRE BIDDER TO INDEMNIFY OR HOLD HARMLESS THE STATE OR CPA FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENT ACTS OR OMISSIONS OF CPA OR ITS EMPLOYEES.**

**20. RIGHT TO AUDIT:**

In addition to and without limitation on the other audit provisions of this IFB, pursuant to §2262.003, Texas Government Code, the state auditor may conduct an audit or investigation of the bidder or any other entity or person receiving funds from the state directly under this contract or indirectly through a subcontract under this contract. The acceptance of funds by the bidder or any other entity or person directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the bidder or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. This IFB or any contract resulting from this IFB may be amended unilaterally by CPA to comply with any rules and procedures of the state auditor in the implementation and enforcement of §2262.003, Texas Government Code. Bidder will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the bidder and the requirement to cooperate is included in any subcontract it awards.
